25X1

1. On 20 May 1952, there was local flying by four biplanes at Finsterwalde-West airfield. The planes practiced taking off and landing. Four officers and about 20 EM stood at the take-off point. Flying was discontinued about 1 p.m. \* Truck [ ] hauled the personnel from the field. On 4 June, a newly built radio installation with radio truck [ ] was observed at the field. A white star and crossed clubs were painted on the radio truck to which a single-axle trailer with a generator was coupled. The generator was started during the time of observation. At 9 p.m., [ ] light was switched on in the radio truck. \*\*

2. Between 7 and 7:30 p.m. on 26 June, [ ] the landing field 25X1 had a badly kept grass turf. A Soviet truck was parked in the middle of the field. Fourteen air force officers, some of whom carried maps, were seen on the landing field.

25X1

\* Comment. Finsterwalde-West airfield is used as a landing and training field for courier planes of the bomber corps headquarters stationed in Finsterwalde.

25X1

\*\* [REDACTED] For sketch of radio truck, see annex. This is the first sketch of a horizontal antenna system. The purpose of the installation is not known.
